Classic Bermuda design by Harrell & Co. Architects, built by BCB Homes, beautifully furnished and decorated by Laura Hay Decor and Design. Architecturally, the approx. 125' of water frontage maximizes the advantage of the deeply curved lot by stepping in such a way as to create 'window walls' or 180 degree views from all main living spaces, including Living Room, informal Dining Room, Family Room, and Master Bedroom as well as from 4 distinct outside 'rooms' that run the length of the waterside. The largest room off of the Family Room includes a grill/bar and outside fireplace. All terraces open and flow to the pool deck that includes a 50' long pool with spa and large shallow sun shelf. There are 4 garage spaces in a courtyard configuration. On approach, one views the guest wing, which appears as a separate 'cottage' with its own porch, Living Room with fireplace, and morning bar. Stunning!
